

PROJECT SUMMARY

CLIENT

The Works
Toronto, ON

PRODUCT

Delphi conference chair

SIZE

12 chairs

The Works

Toronto-based corporate communications studio, The Works needed a major meeting area that was both funky and functional. The cabinetry and boardroom table, made entirely from sustainable materials, were designed and built by Briere and Co, while the Delphi chairs are from Boss design. Natural tones and elegant lines work together to create a welcoming space that still means business.
