WORK ERGONOMICALLY WITH THE VOLLEY.

Volley height adjustable tables provide the flexibility and function necessary for healthy living in today's modern working environments. High-quality motors with memory pre-sets allow for a quiet and easy transition from sitting to standing at the press of a button. This ergonomic solution can stand alone for a touchdown station or integrate into Tayco's numerous benching, private office, and system solutions.

Tayco's Volley tables feature options that are able to accommodate any workspace with the choice of the 2 leg or 3 leg options, as well as the option of silver, white or black in colour.
