tayco | product overview

Tayco introduces Metropolis, a full line of case goods and conference furniture.

Metropolis is divided into three distinct product groups for ease of specifying: Executive, Professional and Conference. The price book is divided into the same three sub-groupings, and the prefix of the product code indicates the product group.

T – Metropolis Executive
TL – Metropolis Professional
TB – Metropolis Conference

Metropolis Executive and Professional series contain the building blocks for the CEO's office, a flexible team environment or a welcoming reception area. An abundance of freestanding storage towers are available for places to hang your coat, file important papers or store personal items. Whether you need to create an impression, save space or encourage collaboration, Metropolis does it all.

Metropolis Conference can be formal or casual, a place for working meetings, video-conferencing or large presentations. It customizes to your needs through a wide selection of sizes and mix-and-match table shapes and base styles. Cabinetry has been made larger to match the proportions of the conference room. Accessory items such as audiovisual cabinets, mobile media centers, lecterns, whiteboards and serving cabinets round out the line.

Metropolis Executive and Conference feature 1.5"-thick worksurfaces, hutch and freestanding storage tops. These items also have a choice of Straight or Gothic trim styles. Metropolis Professional has 1"-thick worksurfaces, hutch tops, filing and storage tops with a straight 3-mm vinyl edge.

desks, returns, bridges and credenzas

Desks are available with a choice of recessed or flush modesties. Metropolis desks, end gables and modesties are made with 45 lb./cubic foot density industrial-grade composite wood core, finished on both sides. Many pieces are available with partial or full modesties. Partial modesties (12"H) should be ordered only for pieces located next to a wall. Otherwise, full modesties should be used.

pedestals

All pedestal drawers are outfitted with full extension slides. Drawers can be easily removed by releasing the small catches on either side of the slide. Pedestals come standard with locks. One lock will lock both file drawers in a file/file pedestal and one box drawer and the file drawer in the box/box/file pedestal. File drawers will accommodate legal- or letter-size documents.

freestanding storage and combo cabinets

Various combination filing and storage units provide a place to hang a coat, store personal items and documents to suit any individual's needs.

reception units

Everything you need in a reception unit is sold as a single item complete with worksurface, counter and storage.

intermediate gable supports

Some configurations require the use of an intermediate gable support. This support must be ordered separately. The situations requiring an intermediate gable support are:

- > For use under surfaces 60" wide or greater where there is no filing or storage to support the worksurface (see picture 1). This applies to Metropolis Professional only. The intermediate support is not necessary for Metropolis Executive configurations, unless a hutch is placed over a bridge or return surface (see picture 2).

surfaces 60" wide or greater

picture 1

under surfaces with a hutch

picture 2

- > Under return surfaces where the return meets the primary desk or Peninsula table. This applies to Metropolis Professional only.

The 12" wide intermediary gable is for 21" - and 24"-deep surfaces and the 18"-wide intermediate gable is used with 30" - and 36"-deep worksurfaces.

universal gable support

tayco | product overview

lectern

The Metropolis lectern is mobile, height-adjustable and constructed of laminate to match the conference room furniture. It glides easily to center stage and can be moved aside when not in use on friction locking wheels. A glazed lip holds documents in place during presentations.

accessories

Computer accessories include flat-screen monitor arms, articulating keyboard trays and CPU holders.

Heavy-duty flat-screen monitor arms adjust to the user while storing wires within the arm. The monitor mounting plate meets VESA standards to accommodate most monitors. Monitor arms can be grommet- or clamp-mounted to the worksurface. Articulating and retractable keyboard trays and mobile or underdesk-mounted CPU holders complete the workstation.

Hutch-mounted tackboards can be finished in any Tayco standard fabric to match the office decor. The conference room whiteboard comes standard with a dry erase board and two fabric-wrapped tackboards. Standard task lights are available in two sizes and come with vertical wire management. An optional task light is available with a dimmer switch. A grommet-mounting swing arm task light is also available.

hutches and cabinets

Hutch and cabinet doors come in a choice of classic laminate or aluminum-framed frosted glazing. Hutches with laminate doors always come standard with locking doors (except for the Conference line). Hutches come open or closed, with or without pigeonholes and a flexible apron for wire management. Optional hutch mounted tackboards finished in any of Tayco fabrics can be ordered to complete the look.

coffee and end tables

Metropolis coffee and end tables coordinate with reception units and are available with or without a fixed shelf.

bookcases

Straight and radius bookcases have height-adjustable shelves with the exception of any desk-height shelves. They are fixed to add structural stability to the bookcase.

handle details

Six handle options are available in choice of colors. Melbourne is the standard handle option unless otherwise specified on your Purchase Order. All Executive and Professional handles are 5" long.

default vinyl color selections

Each laminate comes with matching vinyl trim color unless otherwise specified on your purchase order. Refer to the laminate finish card for details.

edge profiles

Metropolis Executive and Conference are available with a selection of two edge profiles.

Straight profile is available in:

- > Executive
- > Professional
- > Conference

Gothic profile is available in:

- > Executive
- > Conference

tayco | product overview

decorative trim placement

Generally the decorative trim is placed on the exposed surface edge.
Straight trim is applied to surface edges that are placed next to a wall or another surface.

tayco | product overview

grain direction

Horizontal Surfaces

When ordering a directional laminate, the grain will run the direction of the width of the worksurface (excluding bridge surfaces), hutch or storage top. Grain on bridge modesty run vertically so the grain will run the same direction on the entire suite.

Vertical Surfaces

Directional laminates run vertically on vertical surfaces such as cabinet doors, pedestal drawer fronts and gables, as well as all cabinet, lateral file and pedestal kick-plates. The grain runs horizontally across the width of modesty panels.

grommets

Grommets are available in black or silver to coordinate with furniture.
Black is the standard grommet option unless otherwise specified on your Purchase Order.

Components Including Grommets

- > Peninsula tables
- > Arc desks with pedestals
- > Straight desks with recessed modesties and pedestals
- > Straight desks with flush modesties and without pedestals
- > Returns without pedestals
- > 24" deep returns with pedestal
- > 30" deep returns with pedestal
- > 24" deep desks with flush modesties and pedestals
- > 30" deep desks with flush modesties and pedestals
- > 36" deep desks with flush modesties and pedestals
- > Bridges
- > Straight transition worksurfaces
- > 5-sided corner worksurfaces
- > Unitized desks
- > Reception units

Components Available With or Without Grommets

- > Arc desks without pedestals
- > Straight desks with recessed modesties and without pedestals

Components Without Grommets

- > Credenzas
- > 21" deep desks with pedestal
- > 21" deep returns with pedestal
- > "U" and "C" Tables

Grommet Placement

Surfaces up to and including 48" wide have one grommet located at back center of the surface. Surfaces 54" wide and wider have two grommets at either side of the back of the surface.

tayco | step-by-step order placement

1. purchase order number
2. quantity
3. product codes and descriptions
4. finishes
5. options
6. provide a drawing or Tayco quotation number
7. shipping address, on-site contact name and phone number

PRICES

Prices listed herein are for the metropolis product line. Prices are subject to change without notice. Not included in the list prices are special packaging, freight, unloading, unpacking and installation. Possession of this price list does not constitute an offer to sell. Only orders received from authorized Tayco dealers will be processed.

PAYMENT

Terms of payment are net 30 days from date of invoice, upon credit approval. All payments should be remitted to:

400 Norris Glen Road, Toronto, Ontario, Canada M9C 1H5

ORDER PLACEMENT AND CONFIRMATION

Tayco requires that all orders be in writing and accompanied by an Order Cover Sheet to avoid errors. When placing orders, please refer to products by their product code and Tayco quotation number, if applicable. Specify all applicable finishes and clearly indicate the total net value of the order on the Purchase Order. Also note the "ship to" address if it is different from the "bill to" address.

All orders should be faxed or emailed to: **(416) 252-4467, purchaseorders@tayco.com**

ORDER ACKNOWLEDGEMENT

Upon receiving a Purchase Order, Tayco will fax an Order Acknowledgement indicating the shipping schedule and a description of the goods ordered. It is the responsibility of the Purchaser to verify the Order Acknowledgement for accuracy.

ORDER CHANGES

All changes to a Purchase Order must be made in writing and are subject to approval by Tayco. Please note: changes may affect the lead-time and may be subject to additional charges. Once production has begun, no changes will be accepted.

ORDER CANCELLATION

All cancellations must be made in writing and are subject to approval by Tayco. Orders in production will incur a minimum charge of 50% (of net) for cancellation. Once production has begun, cancellations will not be accepted.

SPECIFICATIONS

Detailed specifications are available upon request. Tayco reserves the right to make changes in materials, dimensions, style or specifications if the changes will improve an item's quality or appearance.

STORAGE

In the event that the Purchaser requests postponement of delivery beyond the acknowledged shipping date (after the goods have become a "work in progress", or at a time when Tayco is about to make shipment), the Purchaser must exercise one of two options:

> Immediately transfer the goods to a storage facility of the Purchaser's choice at the risk and expense of the Purchaser. Such transfer to storage shall be deemed as delivery to the Purchaser for all purposes, including invoicing and payment.

> Store the product at Tayco for up to 30 days. Storage fees will be incurred five days after the order is ready for shipment. The storage rate is \$25 per day up to a maximum of \$10,000 net, for orders greater than \$10,000 net, the storage rate will be \$50 per day.

On the 31st day after manufacturing completion, the order must be shipped or the Purchaser must make arrangements for the storage of goods.

All goods are payable from the date Tayco has finished manufacturing.

ORDER DELAYS

Tayco's Order Acknowledgement will state a shipping date, which is Tayco's best estimate at the time the order is acknowledged. However, Tayco shall not incur any obligation or liability to the Purchaser for failure to ship by the specified date unless Tayco has agreed to an unequivocal, firm shipping date in a separately signed written document, executed by authorized personnel at Head Office. Tayco holds no liability for any failure to deliver or any delay in delivering or performing any obligation due to any cause outside the reasonable control of Tayco, including but not limited to, fire, flood, bad weather, war, terrorism, civil disturbance, riot, act of government, government regulation, governmental restriction on export or import, currency restriction, labor dispute, strike, plant shutdown, unavailability of materials, equipment failure or failure of supplier, carrier or subcontractor to deliver on time or otherwise perform.

BACK CHARGES

Tayco will not accept charges for expenses incurred by the Purchaser in expediting shipments, for the repair of damage caused by others or for delay of any shipment. Deductions from invoice payments are not permitted unless authorized in writing by Tayco.

FREIGHT TERMS

All goods are sold F.O.B. Tayco, Toronto, Canada, unless otherwise stipulated by Tayco.

All shipments are LTL (less than truckload) dock-to-dealer dock, Monday through Friday, 8 a.m. to 5 p.m.

The following services may be arranged for an extra charge and must be noted on the Purchase Order: delivery after hours, holidays or weekends, residential or inside delivery, delivery to government buildings or schools, use of special equipment, delivery to an end user, delivery by appointment or within specific time requirements.

metropolis| terms and conditions

Tayco will provide customers with an anticipated date of delivery. Every effort is made to adhere to the prescribed delivery date; however, neither Tayco nor the carrier will guarantee or be held responsible in any manner for delays or deviation from the planned delivery date.

Drivers are not responsible or permitted to assist in the off-load of product.

Tayco is not responsible for any costs incurred for late deliveries, including labor or other charges resulting from unforeseen delays.

Dealer may incur additional carrier Accessorial charges for:

- No loading dock
- Detention charges
- Street unload
- Lift gate required
- Redirect of product
- Refusal of product
- Can not accommodate certain size of trucks
- Storage

Unloading Time

LTL Shipments (Less then Truckload)

Freight companies allow 30 minutes to unload. After such time there will be an additional cost of \$75.00 for every hour or part thereof while the truck is on site. The dealer/customer will be billed for any extra time. Any charges arising from re-routing while in transit or carrier storage charges will be responsibility of the dealer/customer.

TL Shipments (Truckload)

Freight companies allow 2 hours to unload. After such time there will be an additional cost of \$75.00 for every hour or part thereof while the truck is on site. The dealer/customer will be billed for any extra time.

Tayco will gladly accept requests for delivery times and drop shipments to job sites for truckload shipments. Tayco is not responsible for any costs incurred for late deliveries, including labor or other charges resulting from unforeseen delays. Carriers typically allow for a 2-4 hour delivery window, even when a set delivery time is requested and paid for. The carrier is only liable for that additional charge and not for labor or damages.

FREIGHT CLAIMS

Tayco is not responsible for damage that occurs in transit or in storage. The carrier signs for all goods received in good order from Tayco. It is the Purchaser's responsibility to examine goods upon receipt and file any claims with Tayco.

Tayco will file freight claims for loss or damage if the following policy is followed. The following requirements must be met by the consignee in accordance with freight laws and carrier policies:

- All damages, shortages or lost freight must be reported in writing to Tayco within 72 hours of receipt. Obvious damages and shortages must be noted on the bill of lading prior to signing for the delivery (i.e. dented cartons, missing pieces, scratched surfaces). Failure by the Purchaser to make any claim against Tayco within 72 hours shall constitute acceptance of the goods and waive the right to claim any apparent defects, errors or shortages.
- A detailed list of missing or damaged pieces is required in order to assess the value of the claim. Upon receipt of this information, Tayco will contact the carrier and request an inspection or waiver thereof.
- In the case of concealed damage, Tayco must be informed in writing within 72 hours of receipt of product. All damaged product and packaging must be preserved as received pending an inspection or waiver of inspection by the carrier. All product that has a claim pending against it must be available for carriers to salvage once the claim is paid.
- Digital photos should be taken of any suspected freight damage and forwarded to Tayco.

Failure to adhere to these policies and procedures will result in claim responsibility shifting from Tayco to the consignee.

TERMINATION

If at any time Tayco is reasonably led to believe that its interests are imperiled, Tayco may, without prejudice, terminate any order immediately or may defer shipment until the situation is remedied to Tayco's satisfaction. Reasons for order termination include, but are not limited to, the following: default in payment of any sum due to Tayco, breach of any of the terms and conditions of an order or other contract with Tayco, a material change in ownership or form of the purchasing organization or if at any time the Purchaser's financial condition becomes unsatisfactory to Tayco.

RETURN MERCHANDISE

It is not Tayco's policy to accept returned product. In extenuating circumstances the return of product may be approved by Tayco. The Purchaser must request a Return Authorization Form from Tayco. All such returns must be shipped freight prepaid including duty and brokerage fees unless otherwise indicated by Tayco. Standard items are subject to a minimum restocking charge of 50% of the net value of the returned items. COD (cash on delivery) returns will not be accepted.

REPAIRS

Liability for the repair of items will be limited to repair or replacement. Tayco will not issue credit allowances for any repairs without Tayco's prior written consent.

REPLACEMENT PARTS

Replacement parts will be processed as a priority. Please consult with Customer Service for prices and include product codes and descriptions with your Purchase Order.

metropolis | warranty

Limited Lifetime Warranty

Tayco products included in our standard offerings are covered by a limited lifetime warranty to the original purchaser for office use only. The warranty, which runs from the date of manufacture, covers defects in materials and workmanship under normal use and care of the products. If product is defective, and if written notices of the defect is given to Tayco within the applicable warranty period, Tayco (at its option) will either repair or replace the defective product with a comparable component or product. Tayco will cover labour charges for defective product within one year from the date of purchase. All charge backs for labour to repair or replace the defective parts MUST be submitted with the claim and pre-approved by Tayco in writing. It will be a Tayco's sole discretion to determine what it believes would be reasonable for the required work to be completed.

Limitations to the Warranty Include:

	SYSTEMS	SEATING
10 YEAR	• Structural Components • Electrical Components	
5 YEAR	• Moving Parts which include slides, locks, glides and casters • Fabrics/Upholstery • Finishes	• Bases • Arms • Casters • Pneumatic cylinders single shift for users of up to 275 lbs (40 hour week) • Seating mechanism single shift for users of up to 275 lbs (40 hour week)
3 YEAR	• Monitor Arms • Keyboard Trays and mechanisms	• Trim • Foam • Upholstery/ Mesh / seating fabrics • Arm Pads
1 YEAR	• Non-Standard Product • Tasklights	• Non-Standard Product
NOT COVERED	• Ballast and Light bulbs • Customer's Own Material	• Customer's Own Material

The following DOES NOT APPLY to Tayco's warranty (for all product line)s:

- Warranty does not apply to "normal wear and tear" such as dents, nicks, scratches, fading and improper maintenance.
- Discolouration due to exposure to sunlight or indoor lighting.
- Damage caused by improper treatment of product including exposure to unusual environmental conditions (extreme climates, acids, and moisture).
- Damage caused by carrier in transit, damage caused by transport of product from one site or location to another, misuse and alteration to the product.
- A product will not be considered defective, and Seller will not be obligated to replace it, if the product is not installed properly or is used in a "non-standard" fashion. It is at the sole discretion of Tayco to make a determination if a defect is due to improper product installation.
- The matching of colours, grains or textures
- Colour fastness or the matching of colour of textiles. Dye lots of fabric can vary
- Products used for rental purposes
- Seller (Tayco) shall not be liable under any circumstances for consequential, economic, or incidental damages of any nature, including without limitations, damages for personal injury or damages to property, and however occasioned, whether alleged as resulting from breach of warranty or contract by Tayco or negligence of Tayco or otherwise.
- This warranty is presented in lieu of all other warranties, express or implied, including, but not limited to, any implied warranties of merchantability of fitness for a particular purpose. The customers exclusive remedy with respect to any and all losses or damage resulting from any causes whatsoever shall be repair or replacement as specified above.

metropolis | care and maintenance

FABRICS

To remove dust particles, lightly vacuum the fabric surface. Spills and fluid should be immediately blotted. For minor fabric stains and marks use water-based fabric solvent, applying light pressure, to lift the dirt and stain. Any use of water and soaps may harm the fabric, causing water stains and damage to the fabric's contents. Do not scrub the fabric with bristle or vacuum brushes as the fabric may pull or tear and the appearance may be permanently affected. Professional steam cleaning is recommended.

LAMINATES

Dust laminated surfaces for regular maintenance. Clean any dirt or stain with a damp cloth. Do not use an excessive amount of water, abrasive cleaners, acids or alkalis and do not scratch or scrape surfaces. For persistent stains and marks use a commercial cleaner, such as Cabinet Magic® or Countertop Magic®, both manufactured by Magic American Corporation.

GLAZED TILES AND PANELS

Dust regularly to keep surfaces free of dust particles. Clean any dirt or stain with a damp cloth. Dry the area using a dry paper cloth. The use of fiber cloths or rags is not recommended as loose particles and debris remaining on the cloth may scratch or harm the glazed surface. Do not use other chemical cleaners or window cleaners as their chemical compositions may alter and/or permanently affect the surface appearance.

VINYL / EDGE TRIM

To remove minor scuff marks and general dirt from bases and connectors, use warm water and a soft cloth. Do not use harsh abrasive cleaners, as they may cause permanent scratches on the surface.

PAINTED METALS

Tayco's painted metal products are powder-paint-coated. To clean these products, use a damp cloth, using only a small amount of lukewarm water if necessary. Dry with a clean, dry cloth. To avoid scratching and damaging the painted surface, do not use hard bristled brushes or abrasives.

POLISHED CHROME

Maintain the luster on polished chrome products by gently cleaning with liquid soap and warm water solution. Gently dry and polish the chrome with a clean, soft cloth or rag that is free of any abrasive debris. To buff and polish further, use a commercial chrome cleanser and/or polish to enhance the shine and look. Do not use abrasive cleaners or products, as they may permanently alter the surface appearance.

THE USE OF HARSH CLEANERS AND CHEMICALS MAY PERMANENTLY ALTER THE PRODUCT FINISH APPEARANCE AND WILL VOID ANY WARRANTY.
