Select the appropriate post heights to fit the specification needs by your customer. There are only two post structures to work with. Small posts support countertops and all screen heights. Large posts support overheads in conjunction with large screens.

SMALL POST

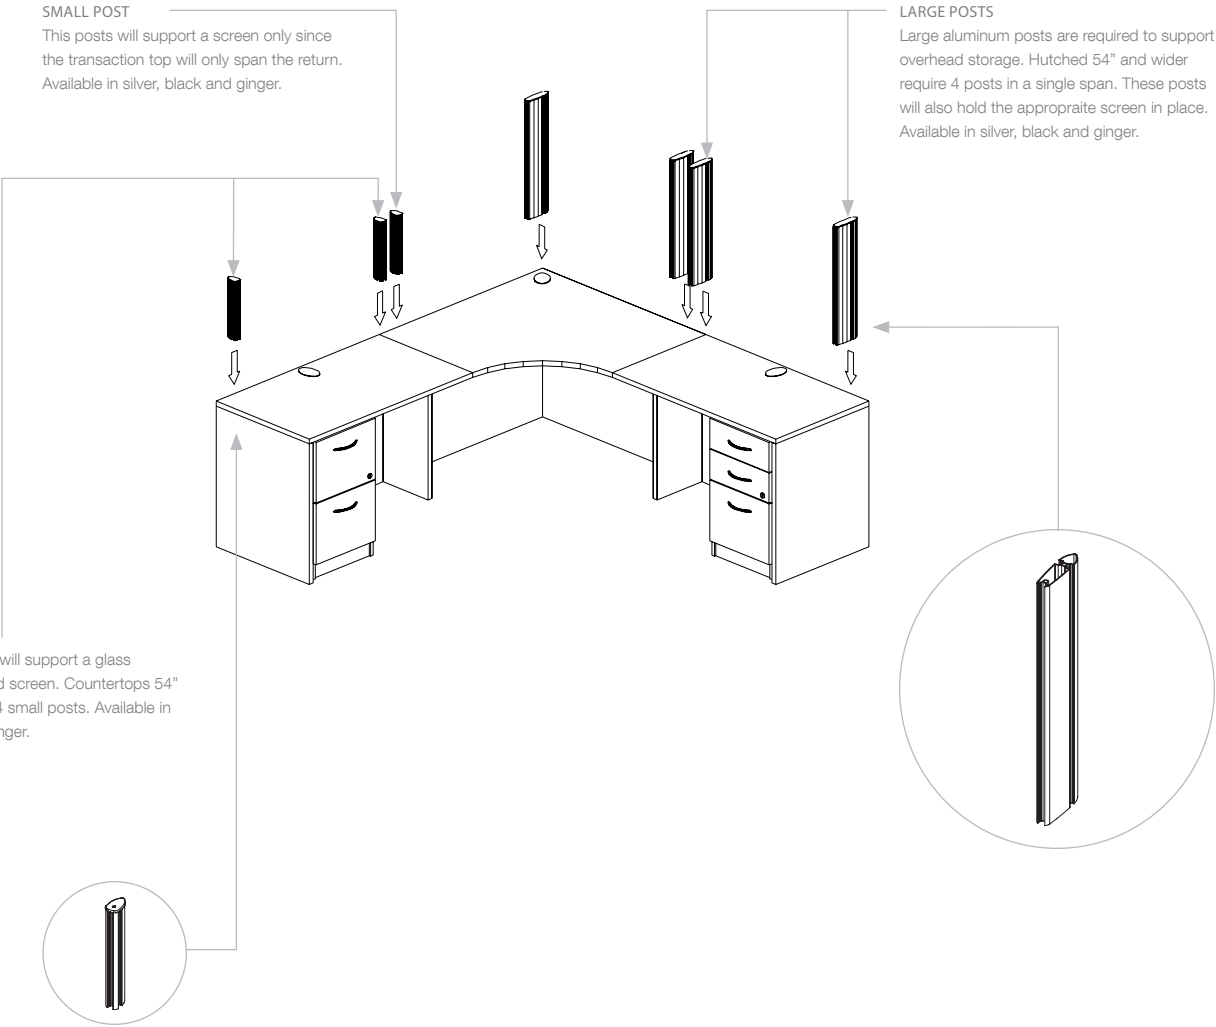

This posts will support a screen only since the transaction top will only span the return. Available in silver, black and ginger.

LARGE POSTS

Large aluminum posts are required to support overhead storage. Hutches 54" and wider require 4 posts in a single span. These posts will also hold the appropriate screen in place. Available in silver, black and ginger.

SMALL POSTS

These small posts will support a glass transaction top and screen. Countertops 54" and wider require 4 small posts. Available in silver, black and ginger.

MAP

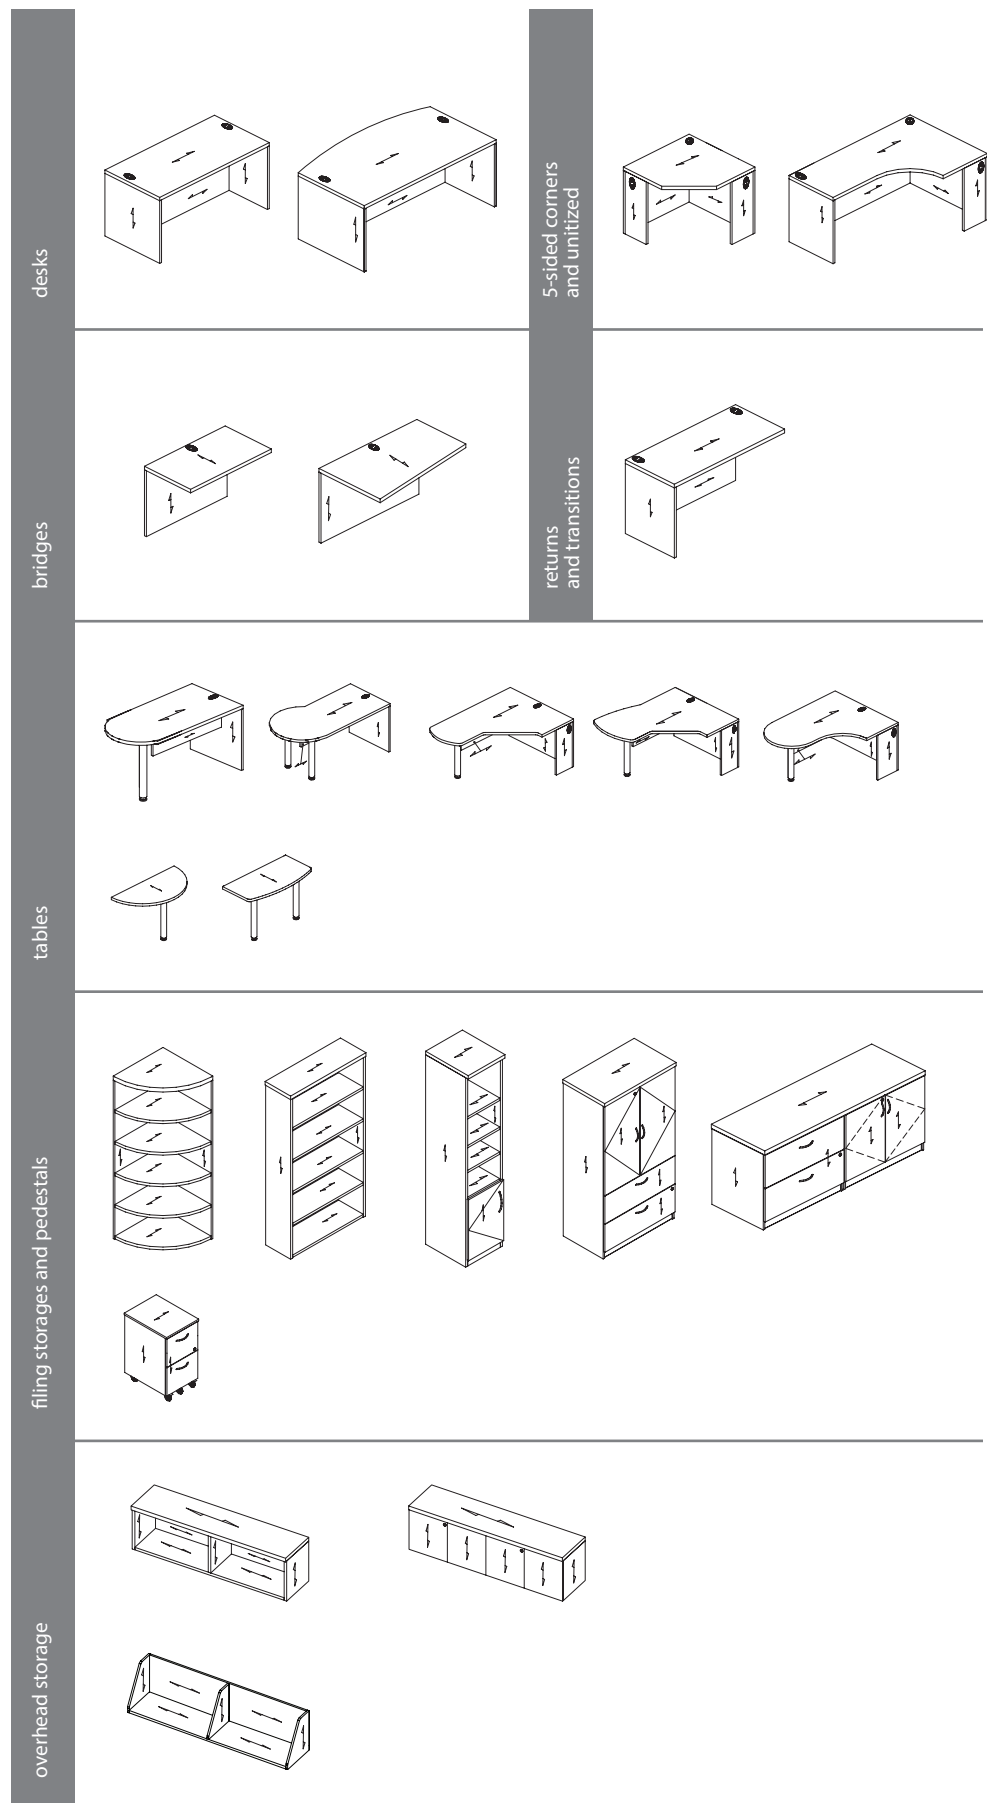

grain direction

Horizontal Surfaces

When ordering a directional laminate, the grain will run the direction of the width of the worksurface (excluding bridge surfaces), hutch or storage top. Grain on bridge modesty run vertically so the grain will run the same direction on the entire suite.

Vertical Surfaces

Directional laminates run vertically on vertical surfaces such as cabinet doors, pedestal drawer fronts and gables, as well as all cabinet, lateral file and pedestal kick-plates. The grain runs horizontally across the width of modesty panels.

Straight Return Partial Modesty, 1" Thick Surface

This return is semi-supported, it must be connected to a freestanding desk, corner desk or credenza. Allows for fixed and modular underdesk storage. Partial modesty gives access to electrical outlets when planned against walls (right hand shown).

ORDERING OPTIONS

Use the following checklist to customize the finishes on your order:

1. laminate
2. trim color
3. grommet color

Each laminate comes with matching vinyl trim color unless otherwise specified on your purchase order. Refer to the laminate finish card for our current offering.

DETAILS

Partial modesty height 12 inches.

Grommets are available in black or silver. Black is the standard grommet option unless otherwise specified on your purchase order.

Surfaces up to and including 48" wide have one grommet located at the back center of the surface. Surfaces 54" wide and greater have two grommets at either side of the back of the surface.

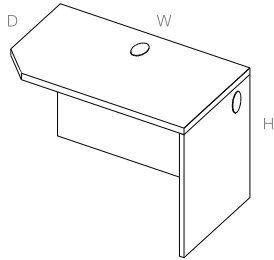

All gables include grommets.
