PANEL SHIELD

Safety is paramount, but it should not come at the cost of function or design. The Patent Pending Panel Shield, designed in collaboration with Fig40, is an innovative solution for workplaces looking to increase their panel heights.

Quick and easy to install with the option to both reconfigure in the future and remove if needed, this unique product works with Tayco’s Cosmo and Switch slotted panel systems without the need to damage the current panel.

The Panel Shield offers substantial protection. With an impeccable fit and finish and two discreet styles, the Panel Shield extends the height of the panels as high as 24” and is comprised of easy to clean materials to help reduce the risk of spreading infection in the workplace. The Panel Shield is available in clear tempered glass and laminate.

KEEP YOUR PEOPLE PROTECTED.

A modern take on divisional solutions using Tayco's signature Scene posts.

The Scene Shield, offered in 24" high, is easy to install, and can be retrofitted to any current setup. The screens can be simply attached with a clamp, avoiding any damage to the surface, or can be permanently fastened with screws.

Available as a complete unit, in a single screen, extended screen, "U" configuration, or by part, allowing users to create a customized set-up for their current benching configuration. The Scene Shield comes in full length or with a 2" gap between the surface and screen to allow for the easy pass-through of items between neighbours.

Finally, for extra protection, the Scene Shield also offers screens that extend 12" past the worksurface.

Offered in a wide range of finishes, this is the ideal solution for quickly adding division to the open office.

CONTINUE TO MAKE TRANSACTIONS.

Stay shielded when greeting visitors and welcoming guests. The Transaction Shield, available in clear acrylic, offers a non-obtrusive, divider where users on either end can maintain a conversation, and pass documents back and forth.

This solution is fantastic for reception stations, or anyone who has frequent visitors at their desk.

This shield mounts directly to the worksurface, with the option for an additional transaction counter. The easy to clean, laminate counter, provides a sturdy place for guests to rest items, sign papers are more.

The Transaction Shield is a fantastic application for any workstation which handles a high volume of visitors, who may also require a surface.

FOR THE ULTIMATE DIVISION.

An exercise in simplicity, the Freestanding Shield is a single element stabilized by a single foot. Geometry and material choice comprise the screen.

Designed with Toronto industrial design studio, Fig40, the Freestanding Shield is an independent structure expressed through a soft and approachable form with a generous arc on the lower side to lend a sense of lightness to a large, vertical surface. The screen is supported by a singular steel base. It is more than a divider, it is a design feature.

The Freestanding Shield, available in 20+ laminate colours, can be pulled up to any surface, panel or storage piece to create a beautifully architected divisional area, helping to keep you and your team safe.

Safety and privacy

DONE STYLISHLY.

Create new spaces and safe areas with the Gallery Shield! With a wide variety of options, the Gallery Shield is guaranteed to compliment any space.

The Gallery Shield provides a stylistic approach to creating safe divisional areas in the workplace. Available in two uniquely designed base options, the D-Foot and Skate Foot, the Gallery Shield can be placed against a desk or wall to section off the space for safety and privacy.

A mobile version, compatible with the original Skate Foot, ensures that division spaces can be created and changed as required.

Also available with the Skate Foot is the Indent Gallery Shield. This stunning Shield uses an inward curvature, perfect for pulling up to a table or benching station.

Stylish and purposeful, the Gallery Shield provides you with a safe and easy return to the workplace.
