

# SPLITS SHIELD

Part of the Tayco Shield Collection

tayco

# When Safety and Style COMBINE.

A sleek freestanding screen that does not compromise between aesthetics and safety. The Splits Shield provides protection for users at 24" high, and can be used on any worksurface, meeting or boardroom table.

Sturdy in construction, the screen provides ultimate division between neighbours, without the need to fasten it to the worksurface. The screen can be easily moved and placed in another location as necessary.

Offered in clear and frosted acrylic, as well as P.E.T. Acoustic Board, the Splits Screen easily brings safety and elegance to any space.
