Stay Safe, Stay PROTECTED.

Everyone deserves a safe and healthy workspace, and the Up Shield will help you provide the ultimate one.

Perfect for freestanding desks, the Up Shield uses Tayco's signature Up clamp to attach a clear or frosted acrylic divisional screen without damaging the worksurface.

The Up Shield, is offered at 29" high, with 24" above the worksurface, and 4" below the worksurface for ultimate protection.

Create a safe environment for each user with the Up Shield.
