

COSMO

Integrated Panel System

tayco®

Flexible and Functional **WORKSPACE DESIGN**

Cosmo is a versatile office furniture solution that combines contemporary design with a comprehensive range of privacy.

Crafted to balance privacy, flexibility, and modern aesthetics, this panel-based system features an innovative tile-and-frame design that allows for customizable stack-on heights and a variety of finish options, including acoustic fabric, laminate, glass, acrylic, and metal. Ideal for creating adaptable open-plan workstations, personalized private offices, and everything in between. Cosmo offers a seamless blend of style and functionality to suit diverse workspace needs.

COSMO

tayco®

Cosmo delivers smart design and lasting function featuring height-adjustable worksurfaces, panel-mounted shelves, pop-up USBs, and cable management for clean, clutter-free workstations. With multiple layout options including 90°, 120°, and 130° planning, plus over 20 standard laminate finishes, Cosmo offers unmatched flexibility and refined aesthetics in one complete system.
