

CADDY SHIELD

tayco®

Added Safety Made **EASY**

Bring added safety to your workspace with ease! Our latest addition to the Tayco Shield Collection, the Caddy Shield, can be applied to any flat surface to immediately create a barrier for privacy and safety without damaging the surface.

This universal shield solution is available in all any of our laminate, acrylic, or P.E.T. Acoustic Board finishes, while the base is available in any of our 20 metal colours!

A simple, non-damaging pressure mount holds the Caddy Shield in place, allowing for the shield to be easily moved without any damage to the worksurface.

The Caddy Shield features a solid metal divider caddy, perfect for holding any loose desk items like chargers!
