

MONITOR ARMS

Sleek Ergonomics.

tayco®

Flexible ERGONOMICS.

Maximize space and eliminate discomfort with our space-saving Monitor Arms. Available in silver, these ergonomic monitor arms free up desk space, while offering the utmost flexibility, allowing each user to adjust to their individual needs.

Tayco's monitor arms are available in both single and dual options, and with grommet and clamp mount applications. They promote a healthier workspace overall, ensuring that you are able to work at ease and without strain.
