

HEIGHT ADJUSTABLE TABLES

Ergonomic. Versatile. Accomodating.

tayco®

work

ERGONOMICALLY.

Height adjustable tables provide the flexibility and function necessary for healthy living in today's modern working environments. High quality motors with memory pre-sets allow for a quiet and easy transition from sitting to standing at the press of a button. This ergonomic solution can stand alone for a touch down station or integrate into Tayco's numerous benching, private office, and system solutions.

Tayco's height adjustable tables contains features that can accommodate any work space, such as three stage telescopic legs, with an individual motor featured on each leg, four memory presets and the choice of 2 and 3 leg options.
