

VOLLEY HEIGHT ADJUSTABLE TABLES

Volley Height Adjustable Tables provide the flexibility and function necessary for healthy living in today's modern working environments. High quality motors with pre-sets allow for a quiet and easy transition from sitting to standing at the press of a button. This ergonomic solution can stand alone for a touch down station or integrate into Tayco's numerous benching, private office, and system solutions.

Surfaces

- All surfaces are 1" thick and fabricated from thermally fused melamine with 45-lbs/cu ft density industrial grade composite wood core.
- Surfaces are available in a standard selection of solid and woodgrain laminates. Custom laminates and high pressure laminates are available upon request.
- Surfaces are finished with a PVC edging which match the laminate colour of choice
- Oval and square grommet options available.

Desks

- Desk heights are within the 25" - 51" range. BIFMA bases are within 22.75" - 48.75" range.
- 2-Leg desks are between 40" - 72" in length. 3-Leg desks are between 40" - 84" in length
- The cleanly designed column size is 1.9"x3.15".
- All desks are factory tested to ensure quality assurance and customer satisfaction.
- Volley bases come in three sizes 39.75"-42", 46"-66", and 56"-71" and easily are adjusted to size on site.
- 71" wide base accommodates up to 84" surfaces.
- Power ratings: 456W, 3.8 Amp working, 0.5W standby. Cord length is 108".
- All Volley Height Adjustable Tables come in silver, white and black in order to match unique interior layouts.
- Volley Height Adjustable Tables require on-site assembly.

Technology

- Quiet and easy to move, the noise of the height adjustable tables works out to be 42 dB, ensuring you won't disturb anyone while you find your most comfortable working position.
- Anti collision enabled - table will stop if obstruction is encountered..
- Full undersurface adjustable frame prevents lateral movement.
- Contains a 4 memory key hand set, making it easy for you to adjust your table at any point in the work day.
- Desks are convenient and quick to raise or lower with a speed of 1.3" per second.
- 2 motors available on 2 leg option, 3 motors available on 3 leg option.
