

Studi Tables

Engineered for versatility and style, the Studi table adapts effortlessly to any environment, making it the ideal solution for training rooms, boardrooms, and dynamic workspaces.

Table

- The Studi table is available in depths of 24 and 30 inches, and widths of 48, 54, 60, 66, and 72 inches.
- The Studi table base is silver only and has a telescopic frame.
- The 1-inch worksurface can be specified in either straight or radius corner is available in a choice of 22 laminate colors. The edge trim color will default to match the finish of the worksurface unless otherwise specified.
- The Studi table excels with its mobile, multi-functional design and can be easily arranged in a room or folded and stored away as needed to save space. Once in the folded position, tables can be nested together when not in use.
- There are two lockable and two non-lockable casters in Studi table.
- When the grommet is specified, it will be centrally located along the back edge of the worksurface.
- The Studi table is shipped knocked down.

Accessories

- A modesty panel, grommet, power and wire hooks can be specified to increase the functionality of the Studi table.
- Modesty options include frosted acrylic and Nori PET T114.
- The optional ganging mechanism is black only and fits into the pre-drilled holes on the underside of the studi table

Power and Wire Management

- The optional surface power module comes in black only and includes 2 power, 1 USB A, and 1 USB C.
- Wire hooks standard in all options with electrics.
- Daisy chain electrics with grommet for up to 6 powered units.
- Limited to Overall system length of 31' with Straight Jumpers
