

# Almeerah Shettima

Installation Supervisor

Since joining Tayco 7 years ago, she has quickly made a name for herself with her strong communication skills and eagerness to learn ability to bring people together to create impactful solutions.

Driven, adaptable, and passionate about cross-functional Teamwork, Almeerah thrives in dynamic environments where she gets to collaborate with diverse Teams including Clients, Installation Crews, Customer Service, and Space Panning.

Her role as a an Installation Supervisor at Tayco is a reflection of her enthusiasm for learning and connecting with people across all facets of a business, making each day both exciting and rewarding.

Originally from Nigeria, Almeerah made the bold move to Canada at 18 to pursue her studies in Electronic Engineering at Seneca College, an achievement she considers one of her proudest.
