

TABLES

Flexible tables. Smarter spaces.

VOLLEY

Adjust your FOCUS

Standing versus sitting? Why choose. Volley provide the flexibility and function necessary for healthy living in today's modern work environments. High-quality motors with memory presets allow for a quiet, effortless transition from sitting to standing at the press of a button — making it a natural part of your day.

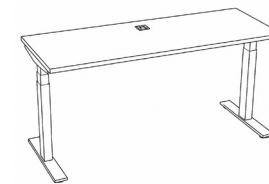

Ergonomic. Adjustable. Uplifting.

A long, white, minimalist desk with a laptop and some papers on it. A white stool is tucked under the desk. To the right of the desk is a large potted plant with green leaves in a black pot. The wall behind the desk is covered in vertical wooden slats.

A curved white cabinet with several drawers, serving as a base for a row of small white tables. Each table has a white chair with a black seat. The windows behind the cabinet offer a view of a city skyline with various skyscrapers.

Two teal-colored ottomans and a small white round table with a book on it. To the right is a light-colored, textured sofa. Another small white table is visible near the sofa.
